TO THE MEMBERS OF THE FIFTY-SECOND LEGISLATURE:

I am vetoing and returning herewith to the Senate, Senate Bill No. 56. This is a validating bill. It is vetoed for the reason, among others, that it purports to validate any levy or assessment or collection of school taxes, illegal, or otherwise, that might have been "attempted." I believe this would even validate a tax that had been enjoined by a court because of illegality.

Respectfully submitted,

ALLAN SHIVERS

Governor of Texas
